Re: CERCLA 104(e) Request, Lower Duwamish Waterway, Swan Bay  
Holdings / Douglas Management Company

Dear Ms. Hong:

Following up on our telephone conversation this morning, I am formally requesting an extension of time to respond to your 104(e) request dated October 10, 2006. As I mentioned, we have been gathering and copying documents for several weeks, but are concerned that we may not be finished by December 10th. We would appreciate up to an additional 60 days to complete the task. However, it is our hope and expectation to finish this soon as possible.

Thank you for considering our request.

Sincerely,

A handwritten signature in cursive script that reads 'Everett H. Billingslea'.
